

# IC SCRIP Program –

## We want to clear up the Kroger Myth ...

A few Years Kroger decided to be a  
“Community Rewards” Program, instead of participating in  
SCRIP programs around the country.

This means that they are no longer a SCRIP Program. IC has chosen to keep the administration of the Kroger Program with SCRIP because the rewards do come back to your tuition, but it is no longer a SCRIP percentage based rebate program.

There are still many great features to the Kroger Program, and you can still earn many dollars and obtain many benefits from participating with Kroger Community Rewards, but the dollars do come back differently than with SCRIP.

Kroger has decided that they will give back so much money each quarter in each community. This means that the more our Parish Community spends with Kroger, the more they will refund back to us. It is then given back to each parish member/parent based on their “spend” with Kroger. So you see it is still important to utilize this program. It is now it’s own reward program.

Another great feature of the Kroger Community rewards program is their “Gas Points”. Any dollar that you spend at Kroger goes toward gas points, and you can obtain from \$.10-\$1.00 off/gallon (up to 30 gallons), of gas each month if you utilize their program.

- If there is a retailer that does not participate in SCRIP (ie McDonalds, buy their card at Kroger, and earn Community Rewards points toward Tuition, and earn gas points toward saving money on gas.
- Many times, Kroger offers 4 times the gas points when you buy certain cards at Kroger. So if you buy a \$25 card, you are earning 100 points toward your gas savings.

Make sure you register your Kroger card at Kroger.com. Go to “Kroger Plus Card”, register your name and address, then when you see the “Community Rewards” drop down, you will want to select, IMMACULATE CONCEPTION PARISH. You can also have other family members signed up under your name to earn toward your tuition/parish.

IMPORTANT – Please send us your name and any other family members' names who you may have signed up to earn you Kroger Points to Kelley Lovati [lovati@iccatholic.org](mailto:lovati@iccatholic.org), so that we can make sure you are earning to your potential.
